## **THE CAMPUS TOUR**

*Through the cooperative efforts of the district and the state legislature, East Central Community College has experienced growth in buildings and facilities during the past several years. The school plant consists of approximately 150 acres with buildings and facilities now valued at over nine million dollars.*

*Warrior Corps members and a faculty representative will accompany you on a "brief" tour of the campus, pointing out major buildings and sites.*

# Seniors!

From the College "With YOU in Mind"

*Come join the over 2000 students from Leake, Neshoba, Newton, Scott and Winston counties who made East Central Community College their college choice for the 1997-98 term. For more information contact the Office of Admissions, Records and Research.*
